Pension Benefits Act Regulations

Date: March 30, 2011

On March 25, 2011, the Ontario government filed two regulations amending General Regulation 909 under the *Pension Benefits Act*:

- O. Reg. 84/11, dealing with the deadlines for solvency valuations and related payments for certain plans in the public sector and broader public sector; and
- O. Reg. 85/11, providing for the adoption of the federal investment regulations, as amended from time to time.

The regulations are now in force.
