Bill 133 Regulations (Asset Division on Marriage Breakdown) Filed Under *Pension Benefits Act*

Date: June 29, 2011

On June 24, 2011, the Ontario government filed long-anticipated regulations in support of amendments to the *Pension Benefits Act* effected by Bill 133, the *Family Statute Law Amendment Act, 2009*.

O. Reg. 287/11 (Family Law Matters) follows the previously reported March 2011 release of draft regulations and a related Consultation Paper, and reflects that consultation process by making significant changes to the earlier draft regulations.
