Human Resources Legislative Update

WSIB Rate Framework Policy Consultation Extended (Again)

Date: November 29, 2017

As we previously reported, the Workplace Safety and Insurance Board launched a public consultation on draft policies for the new Rate Framework, which is scheduled to be implemented on January 1, 2020. In October 2017, the deadline for submissions for the Rate Framework Policy Consultation was extended to December 5, 2017.

The deadline for submissions has again been extended for an additional six weeks. Interested stakeholders now have until January 15, 2018 to provide their input. Submissions can be forwarded to consultation_secretariat@wsib.on.ca
