

## Human Resources Legislative Update

### Ontario Passes Healthcare Accountability Legislation

**Date:** June 3, 2010

On June 3, 2010, [Bill 46, the \*Excellent Care for All Act, 2010\*](#), was reported as amended by the Standing Committee on Justice Policy and carried at Third Reading. Following Royal Assent, most of the Act will come into force on a date to be named by Proclamation.

[As previously reported](#), the Act makes health care providers and executives accountable for improving patient care and enhance the patient experience. Although aimed at the hospital sector specifically, [the Ontario government has indicated](#) that following an assessment of its impact, these requirements may be extended to other health sectors as well.
