# Federal Government Introduces New Temporary Foreign Worker Regulations

**Date:** August 20, 2010

On August 18, 2010, the federal government published new regulations applicable to temporary foreign workers (“TFWs”) under the *Immigration and Refugee Protection Act*.

The [Regulations Amending the Immigration and Refugee Protection Regulations \(Temporary Foreign Workers\)](#) are designed to protect TFWs and minimize their exploitation by employers and third-party agents by amending the Immigration and Refugee Protection Regulations to impose stringent new guidelines and restrictions upon the employment of such workers by Canadian employers.
