Submissions to the New Brunswick Pension Task Force

Date: March 29, 2011

The [Pension Task Force](#), established to examine the long-term stability and security of pensions in New Brunswick, is seeking submissions from the public regarding the pension plan issues under review including: the rules protecting employees and pensioners; ensuring the long-term sustainability of the pension promise made to workers; and the effectiveness of structures meant to protect pensions.

Our [Pension & Benefits Group](#) would be pleased to work with you if you intend to make submissions. Alternatively, you can send your submissions directly to the [Pension Task Force](#). If you have any questions, please contact any member of our [Pension & Benefits Group](#).
