Ontario 2012 Budget Introduced

Date: March 27, 2012

On March 27, 2012, the Ontario government tabled its [2012 Budget, “Strong Action For Ontario.”](#)

The Budget comes on the heels of the [Drummond Report](#), which was released in mid-February and which recommended sweeping reform measures aimed at increasing efficiencies within the broader public service and the delivery of a variety government programs.

Key components of the Drummond Report are summarized in two previous issues of *FTR Now*: [The Drummond Report – Impact on the Broader Public Sector](#) and [Drummond Commission Reports on Elementary and Secondary Education Reform](#).

We are in the process of reviewing the Budget. An *FTR Now* discussing the Budget’s highlights will be available shortly on our [website](#).
