### Safety Blitzes Announced for Ontario Workplaces

**Date:** January 11, 2013

The [Ontario Ministry of Labour \("MOL"\) has announced](#) that three workplace enforcement blitzes targeting workplace hazards will be conducted by MOL Inspectors this winter:

- January/February: underground mines will be inspected to check hazards that may affect air quality;
- February/March: industrial and construction workplaces will be checked for slips, trips and fall hazards; and
- February/March: health care workplaces to check on workplace violence and harassment.
