

Human Resources Legislative Update

Federal Budget 2014 Introduced

Date: February 11, 2014

Today, the federal government tabled its Budget 2014, [The Road to Balance: Creating Jobs and Opportunities \(Economic Action Plan 2014\)](#), a brief summary of which is outlined in a Department of Finance [news release](#).

Hicks Morley is in the process of reviewing the Budget. An *FTR Now* outlining the Budget's highlights for employers and pension plan administrators will be available shortly on our [website](#).
