

Human Resources Legislative Update

Amendments Made to Federal Occupational Health and Safety Regulations

Date: June 26, 2014

The federal government has registered two amending regulations made under the [Canada Labour Code: Regulations Amending the Oil and Gas Occupational Safety and Health Regulations \(Miscellaneous Program\)](#) and [Regulations Amending the Canada Occupational Health and Safety Regulations \(Miscellaneous Program\)](#) ("*Regulations*").

The purpose of the *Regulations* is, among other things, to clarify inconsistencies between their French and English versions and to correct certain unclear language.

The *Regulations* came into force on the date of their registration, or May 29, 2014.
