

## Human Resources Legislative Update

### **New Alberta *Employment Pension Plans Act* Regulation**

**Date:** July 28, 2014

On July 22, 2014 the Alberta government enacted a supporting regulation to that province's [Employment Pension Plans Act](#) (the "Act"), legislation enacted in December 2012 following recommendations from the Joint Expert Panel on Pension Standards. The Act and the new [Employment Pension Plans Regulation](#) will come into force on September 1, 2014.

A government summary highlighting features of the new Regulation is available [here](#), and further background information on the Act is available [here](#).

We are in the process of reviewing the Regulation, and a more detailed discussion will be available on [our website](#).
