Ontario Proposes Pension Regulations

Date: October 3, 2014

On October 3, 2014, the Ontario government published proposed amendments (“Proposed Amendments”) to Regulation 909 of the *Pension Benefits Act* (“PBA”) that incorporate stakeholder feedback received in response to proposed amendments first published on April 25, 2014, [as previously discussed](#).

The government is inviting comments from stakeholders on the following new Proposed Amendments:

- [Statements for Former and Retired Members](#); and
- [Disclosure of Environmental, Social and Governance Factors in Statements of Investment Policies and Procedures](#).

Comments on the Proposed Amendments are due on October 24, 2014.

We are in the process of reviewing the Proposed Amendments, and an *FTR Now* will be available on [our website](#).
