FocusOn: Medical Cannabis and the Workplace

Webinar Details

Date: Tuesday, February 26, 2019

Time: 11:00 AM EST

The legalization of cannabis for recreational use and the exponential growth of people using medicinal cannabis gives rise to challenges for employers and service providers.

Our speakers will provide insights into legal developments related to medical and recreational cannabis for those working in employee benefits and human resources, including the impact of cannabis on human rights, accommodation, and impairment issues in the workplace.

Our speakers:

- **Sukhvinder K. Dulay**, JD, Associate, Benefits Law, Hicks Morley
- **Sunny Khaira**, JD, Associate, Employment and Labour Law, Hicks Morley
